

Full Stack Web Developer The Boutique Hub

Overview:

We are looking for an experienced back-end PHP developer to develop a new specialized online marketplace. You will be part of a small team developing tools to connect small businesses with suppliers and brands. We are interested in a 3-6mo contract with the possibility of full-time employment.

The position is remote and will connect to Boutique Hub team via video and daily chat to manage ongoing projects.

Required Qualifications:

- 5+ years of web development experience
- Knowledge of object-oriented PHP programming
- Experience working with REST APIs
- Experience building large, scalable applications
- Ability to design and utilize efficient MySQL databases
- Basic understanding of front-end technologies, such as JavaScript, HTML5, and CSS3
- Ability to collaborate with business development and marketing stakeholders to turn ideas into a functional website
- Understanding of version control systems

Preferred:

- Experience with Laravel
- Experience with Stripe API
- Previously built a REST API
- Front-end development experience

Additional Information:

This is a job that allows for remote employment, with daily video connection to fellow team members around the US. Strong work ethic, organization skills, and personal accountability is a must. The company employs a vibrant team & offers unique opportunities for benefits and experiences at a growing company!

Please send resume, cover letter, and examples of your previous work at beth@theboutiquehub.com by August 31, 2019.

About The Boutique Hub:

The Boutique Hub is a multi-faceted digital media community, spreading the love of boutique fashion worldwide, while connecting the industry behind it.

At The Hub, we believe two things are true:

1. That small business owners in the boutique industry deserve a voice & community that has their best interest at heart, always, so they can save time, money, effort and focus on growth!
2. That all women deserve to feel beautiful no matter their income, style, size, location or fashion knowledge; and there is no better place than a boutique to help her achieve that.

At The Boutique Hub, we live each day to serve these two very important sides of the industry with the Golden Rule and the foundation of Community over Competition.
