

FUN HOLIDAY CALENDAR

2022

HUB

ABOUT & HOW TO USE:

The 2022 Fun Holiday Calendar:
1,000+ Daily Fun, Silly and Creative Holidays

There is something to celebrate every single day! This fun holiday calendar was developed as a go-to marketing resource to use in your business daily. Use these holidays to plan events, special deals, or incentives around.

Make it simple or make it a big event – **there is no “one way is the correct way”** to use this calendar. It’s a helpful guide to foster your creativity each day and help you plan your content. Maybe it helps you do something as simple as an Instagram poll or maybe it sparks a full-blown event at your business. How you use this calendar is up to you!

Here is a helpful example of one of the many ways
you can make the fun daily holidays work:
Friday, January 31 – National Hot Chocolate Day

Super Simple: Run a single Instagram Story Poll with a picture of hot chocolate, ask if they love it or loathe it.

Simple: Run the same Instagram Story Poll but this time, include a few more story poll options for more engagement stories. What’s your favorite flavor? Do you call it hot cocoa or hot chocolate? No toppings or All the toppings? What’s your favorite topping? Etc.

Big: Offer a free build your own Hot Chocolate Bar while they shop at your storefront, pop-up, or host an in-home tasting for the day. Make it a fun event to draw in customers.

Extra Big: Do both Simple & Big events – make the most out of the day! Offer a special limited discount on brown or “chocolate” colored items.

DISCLAIMER:

These fun holidays are subject to date changes as most of them are non-official and/or hosted by different companies who shift them throughout the year. As of when this calendar was put together, all events were confirmed through multiple resources. Please note that Google does not always list the confirmed or correct date as it can pull from various unofficial websites.

Consider the majority of these holidays unofficially officially and this calendar as a true reference guide. :)
